We are blessed with the opportunity to ride into another New Year and we are looking ahead for many FUN times in 2026.

We entered the New Year with sunny and pleasant weather, today we arose to a pretty snow ground cover and in the mid 30's and it's gone by mid afternoon.

Yes, it is the winter season, but here in Georgia the weather changes about as often as you would change a pair of socks. Therefore, we keep the bike ready to roll and when the weather affords that opportunity we will be ready to ride.

The Georgia District has planned multiple Activities and Events coming your way. We hope that you will take the time to participate in these activities.

The EWMA Motto is "Friends for Fun, Safety & Riding". Riding is more FUN with Friends. Safety is most important so that we arrive home safely each day after our ride. If you do not participate, you miss out on the opportunity to ride and visit with your fellow Members and riding together we can learn more about safety from each other as well as through the EWMA Safety Presentations.

***FRIENDS for FUN, SAFETY and RIDING***

When we joined Eagles Wings Motorcycle Association we wanted to be apart of an organization where we could ride with friends, make new friends and fellowship with a group of like minded motorcyclist. We like participating in Chapter Activities, Ice cream rides, Weekend rides through the mountains, Charity Rides, Learning about Riding Safety, New adventures, Etc. We would hope that is why you joined as well. If these things sound interesting to you, make plans to join us for one of our up coming activities.
